MEDICOVER

WE HELP YOU BE HEALTHY SO YOU CAN ENJOY YOUR LIFE

With Medicover you can feel safe and calm every day.
We will do everything for your health.

Following the needs of our patients, we have created solutions that enable various ways to obtain care tailored to the medical need in the shortest possible time. For your convenience, we offer various forms of contact with a specialist:

Teleconsultation

In-person visit

Chat with a doctor

E-mail communication

Teleconsultations are an effective and convenient way to contact a doctor.

During the consultation, the doctor conducts an interview and makes recommendations. They may also issue an e-Prescription, e-Leave and e-Referral for testing.

>20%

of consultations are remote

approx. 60

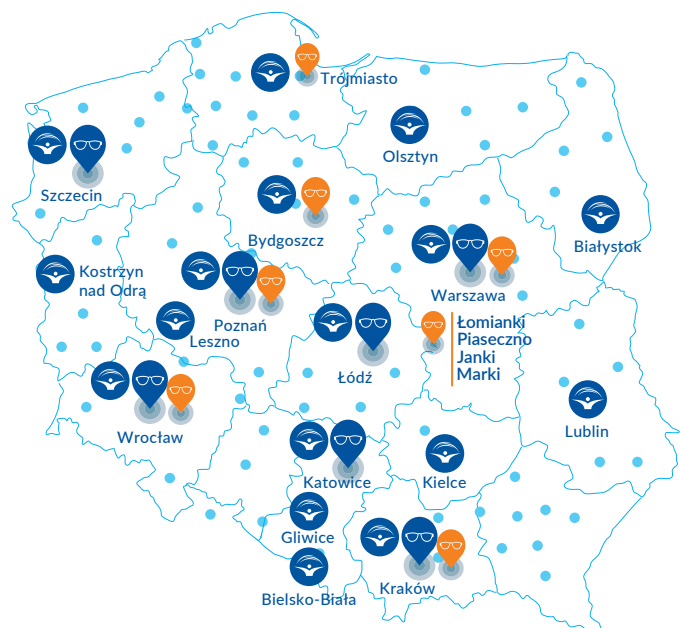

medical specializations

26

medical specializations dedicated to children
